HISTORY OF CAPITAL CITY STEELERS

The Capital City Youth Sports Association (CCYSA), proudly known as the Capital City Steelers, was founded in 1994. CCYSA is an all-volunteer 501c-3 non-profit organization serving boys and girls from ages 5 to 15 from all around the Wake County area.

CCYSA is a part of the Pop Warner Little Scholars organization that is now celebrating more than 70 years as the only National Youth Football and Cheerleading Program in the United States. Pop Warner now has more than 300,000 kids participating each year.

Every year, CCYSA supports over 300 youth football players and cheerleaders. Over the past decade, CCYSA has accumulated many football and cheerleading titles including three National Football titles. More importantly, many of our teams have been the recipients of Mid-South Regional Academic Excellence Awards, and we have placed boys and girls on the National Pop Warner AU Academic Team for many seasons.

CCYSA, a volunteer organized and operated non-profit organization, depends upon volunteers, parents, and participants to raise funds on an annual basis to offset the cost of insurance, equipment, and field costs as well as funding scholarships for underprivileged children. Since we are a 501c-e non-profit organization, we do not receive any public funding and are not funded by the City of Raleigh or Wake County.

SPONSORING THE STEELERS

Each year, based on the success of our teams, more and more kids are added to our rosters. With this increased participation, our operating costs continue to rise which forces our participants and their families to have to do numerous fundraisers to make up the difference. With so many fundraisers occurring during the year, it gets harder and harder to find new people willing to participate in them.

Individual and corporate sponsors are integral for us to successfully run the program each year. In preparation for the 2008 season, the Capital City Steelers are currently looking for sponsors.

Here are some examples where funding from sponsors are needed.

- Game equipment
- Referees
- Practice and game field rentals
- Light rentals (for the months when it is dark at 6:00)
- New football equipment (as needed)
- Reconditioning of existing football equipment
- Uniforms for football players and cheerleaders (as needed)
- Scholarships for underprivileged children

On the last page of this document, please see the different sponsor packages that we have available to determine if we have any that suit you or your business. All donations and sponsor contributions are tax deductible. Our 50c-3 non-profit tax ID number, as a subordinate of Pop Warner Little Scholars, Inc., is 56-1880708.

For each donation made, you will receive a receipt from the Capital City Steelers for the contribution, a letter from the Steelers that can be displayed thanking you for your support, and your name on a sign at the Steeler home field (based on the level of sponsorship shown on the Capital City Steeler Sponsor Level document). Along with this you will know that you have made a difference in the lives of the children of our organization. We couldn't do it without your help!

If you decide you are interested in sponsoring the Capital City Steelers (CCYSA), please contact your Steeler Sponsor representative or Heather Brooks at 625-0735 or heather@capitalcitysteelers.com.
